

LYNN WHEAT

Lynn Wheat has called the City of Elk Grove home for 31 years and considers herself an advocate for creating a better Elk Grove, not necessarily a bigger Elk Grove. She has attended numerous public hearings soliciting public comment from Elk Grove citizens. It has been the multicultural community of caring and generous people that has kept Lynn living in Elk Grove. As a former mayoral candidate this was reinforced during her campaign canvassing of neighborhoods. As a registered nurse Lynn has worked and volunteered in Elk Grove and the Sacramento region with an emphasis on health, safety and quality of life for all. Currently, Lynn serves on the Family Life Advisory Committee for Elk Grove Unified School District. Lynn is honored to serve on the Chief's Advisory Board and feels her professional background and work with other organizations will be an asset to the group.
